# REGISTERING FOR THE TEST

## REGISTER ONCE

It is only necessary to register once for the test - the same test is used by all seven of the Gloucestershire Grammar Schools. It doesn't matter which school's website you use to get to the registration form.

## TEST CENTRE

You can choose where your child will sit the test. The venue makes no difference to results or school place offers. Children may need to be allocated to a different test centre if the one selected becomes over-subscribed.

## PUPIL PREMIUM

If your child is in care or has received income based free school meals in any of the last 6 years, and so is eligible for pupil premium, please ensure that this is indicated on the registration form as it will positively affect ranking.

## SEN / MEDICAL NEEDS

If your child has special educational or medical needs and may need additional access arrangements, please indicate this clearly on the form and provide evidence to the G7 email address.

## SHARE RESULTS

You will be asked which schools you would like to share results with. Only schools you share the results with can give your child a ranking. If you don't have a ranking for a school, you cannot apply for a place there. We recommend sharing with the four schools which take boys.

## OVERAGE / UNDERAGE CANDIDATES

If your child's date of birth is not in the range 01/09/2014 – 31/08/2015 (for 2026 entry) you will need to obtain permission from each school you wish to share your child's results with. Permission needs to be obtained **before** registering for the test.

If you would like to join our [Mailing List](#) to receive updates on the admissions process and reminders of key dates, please email Mrs Alison Ewart (Registrar)
